Section 12(1) provides that an Emergency Manager may take one or more of the following actions: **(g)** Make, approve, or disapprove any appropriation, contract, expenditure, or loan, the creation of any new position, or the filling of any vacancy in a position by any appointing authority; **(n)** Consolidate or eliminate departments of the local government or transfer functions from 1 department to another and appoint, supervise, and, at his or her discretion, remove administrators, including heads of departments other than elected officials; **(ee)** Take any other action or exercise any power or authority of any officer, employee, department, board, commission, or other similar entity of the local government, whether elected or appointed, relating to the operation of the local government. The power of the emergency manager shall be superior to and supersede the power of any of the foregoing officers or entities; and **Section 19(2)** Except as otherwise provided in this act, during the pendency of the receivership, the authority of the chief administrative officer and governing body to exercise power for and on behalf of the local government under law, charter, and ordinance shall be suspended and vested in the emergency manager.

It is hereby ordered:

2. The position of City Manager is hereby vacated immediately.
3. To the extent that this Order conflicts with any provision of the City Charter, any City Ordinance or any prior Order, this Order is controlling.

The Order shall have immediate effect.
