Describe

- All land use applications must include a detailed drawing of the property.
- A sketch of the proposed use should be made on a copy of your mortgage survey, if a survey is not available you may use the reverse side of this application.
- Construction shall not commence until a permit has been issued.
- All mail in permits MUST have a self addressed, stamped return envelope.

Section 23a of the state Construction Act of 1972 No. 230 of the Public Acts of 1972, being Section 125.1523a of the Michigan Compiled laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines. I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his agent and we agree to conform to all applicable laws of this jurisdiction.
