

City of Hamtramck

3401 Evaline Street Hamtramck, Michigan 48212

Telephone 313-800-5233

Per resolution 2020-56, the City of Hamtramck has waived all permit requirements for sidewalk sales on Conant, Caniff, Holbrook, and Joseph Campau Avenues until October 31, 2020.

All retailers on these streets, **with the exception of pawnbrokers**, may sell their wares on the sidewalk in front of their business, as long as these requirements are met:

- The goods being displayed on the sidewalk do not pose a risk to the environment, or the public's health and welfare
- The goods are only displayed directly in front of the business to which they belong
- There is an unobstructed 48" thoroughfare for pedestrians

At all times, please follow State of Michigan guidelines and best practices when in public spaces. From www.Michigan.gov/coronavirus:

"We can only contain the virus and keep Michigan open if everyone stays careful and masks up every time they leave home, whether they feel sick or not. Michiganders are required to wear a face covering every time they leave their home or place of residence including:

1. In any indoor public space.
2. In outdoor spaces where 6 feet of distancing is not possible."

If you have any questions, please call:
