SECTION I: AGENDA ITEMS – For Discussion/Action/Information

- i. Follow up on Human Relations meeting from Julianne
 1. Shared ideas, but tabled now- too late for a holiday-themed event, and no budget. Hopefully can collaborate soon in the future
- ii. Safe Routes to School Walk Audit discussion
 1. Sean and Julia attended.
 2. Sidewalks in disrepair – responsibility of the homeowners/business owners to repair. Potential area for outreach
 3. Future audit discussions may be scheduled in evening
- iii. America in Bloom/Potential grants
 1. Planters on Joseph Campau were installed years ago, have irrigation equipment but it's not hooked up to anything. Idea: encourage businesses to work with DDA on landscaping. Potential volunteer opportunity if businesses sponsor it. Jessica can attend next DDA evening meeting – 12/16 at 6pm
 2. Love Your Block grant
 3. Ordinances for tree maintenance – usually a Plan Commission thing. A City employee or commissioner would research existing ordinance, draft language specific for Hamtramck and then bring to the commission. We (Beautification Commission) could help with the research on that
- iv. Follow up on tasks

1. Angela is still working on the working on the Jos Campau tree planting
- v. General Discussion
 1. Snow-shoveling community organizing – Julia will post the link on social media
 2. Joe Louis Greenway may involve beautification opportunities

SECTION II: OTHER ITEMS

1. Chairman's Report
2. Members' Report
